Course Description

Drs. Becker, Fulford and Wales were each extraordinary osteopaths who served as inspirational guides to generations of practitioners. This collection of stories captures some of the precious and practical wisdom they imparted over the years.

Many of the stories tell about lives profoundly changed by the teaching they received while others reveal small pearls of wisdom that were gained. Some of the stories arise from a chance, one-time meeting with one of these teachers, while others are from people who knew them very well. Most of the stories come from experiences that occurred in exchanges shared one-on-one.

While the essence of osteopathy is taught hand-to-hand, there is also a long and deep tradition of osteopathic wisdom being imparted through the words and deeds of the teachers and elders of their day. There is so much to learn from their actions, thoughts, and beliefs.

This book of stories brings Drs. Becker, Fulford and Wales to life. It is a book you will wish to keep nearby to read over and over again for inspiration and guidance.

Target Audience

This activity is open for all Osteopathic and Medical Physicians (DO/MD), International Osteopaths, Students (DO/MD), and Students enrolled in qualified international osteopathic training programs. This activity may also be of interest to other healthcare workers, such as nurses, physical therapists, and podiatrists, who may be involved in the care of patients.

Prerequisites

This course is appropriate for the target audience.

Agenda

Hollis H. King, DO, PhD, FAAO, FCA
Lecture: Introduction (10min)

Rachel Brooks, MD, FCA
Lecture: Three Great Teachers (50min)

Course Director

Rachel Brooks, MD, FCA

Rachel Brooks, MD, FCA, will speak on: “Three Great Teachers”.

Dr. Brooks is a graduate of the University of Michigan Medical School and completed her post-graduate work there in Physical Medicine and Rehabilitation. She holds certifications as Diplomate - American Board of Physical Medicine and Rehabilitation and Diplomate - National Board of Medical Examiners. She currently practices physical medicine and rehabilitation at her private practice in Portland, OR, specializing in osteopathic manipulative medicine. She is a Fellow of the Osteopathic Cranial Academy, and a member of the American Academy of Osteopathy and the Osteopathic Cranial Academy.

Dr. Brooks has been involved in teaching cranial osteopathy since 1986. Her osteopathic journey began when she met Dr. Rollin E. Becker in 1975, just before she entered the University of Michigan Medical School. That first meeting with Dr. Becker inspired her to pursue the study and practice of osteopathy. After completing a residency in physical medicine and rehabilitation in

1982, She began her private practice in osteopathy the following year. At that time, she had the opportunity to study for many years with Anne Wales, DO.

In addition to her teaching, she has undertaken several publication projects. She assisted Anne Wales, DO in the editing of *Teachings in the Science of Osteopathy* by William G. Sutherland, DO, and she helped edit the second edition of Sutherland's *Contributions of Thought*. Dr. Brooks is the editor of the Stillness Press books on the teachings of Rollin Becker: *Life in Motion* and *The Stillness of Life*.

Dr. Brooks was a member of the board of trustees of the Sutherland Cranial Teaching Foundation, serving from 1988 through 2004. She continues to be sought worldwide for her personal and historical insights regarding the practice and foundations of Osteopathic practice.

CME Policy Statements

Osteopathy's Promise to Children (OPC) offers both live events and on-demand sessions using the same caliber of speakers who would present at in-person events. OPC offers online opportunities for Continuing Medical Education (CME) credits. Each course or online event offers AOA Category 1-A CME credits. CME sessions are delivered on the CE21 Learning Management System. Once you have used the Learning Center, you will have a profile established that will allow you to access all available sessions, view speaker profiles, track CME credits gained through the system, and generate CME certificates based on the sessions completed. All OPC CME activities have a content expert available for any questions on content from CME participants during the life plus one week of the activity. The content expert will answer participant questions within one week of an inquiry. Contact us at cme@the-promise.org with any questions or comments.

Disclaimer

The information in this educational activity is for general medical education purposes only and is not

meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition. The viewpoints expressed in this CME activity are those of the authors/faculty. They do not represent an endorsement by OPC. In no event will OPC be liable for any decision made or action taken in reliance upon the information provided through this CME activity.

Statement of Professional Ethics & Standards

Osteopathy's Promise to Children CME courses will foster an educational atmosphere of tolerance and mutual respect concerning gender, race, developmental challenges, sexual orientation, and professional background. Furthermore, these courses will adhere to the highest standards of osteopathic medicine's professional ethics especially in regard to patient, student, and physician faculty communication and interactions. This includes clear informed consent when participating in educational exercises, and only utilizing osteopathic techniques and practices designed to educate practitioners and/or compassionately and appropriately address patient suffering through osteopathic diagnosis, and treatment. Any deviation of these professional standards by physician faculty, staff, or student during a given course will not be tolerated.

Evidence-Based Content

It is the policy of the OPC to ensure that the content contained in this CME activity is valid, fair, balanced, scientifically rigorous, and free of commercial bias. Evidence-based medicine – first “coined” in 1991 (JAMA). “Conscientious, explicit, and judicious use of current best evidence in making decisions about the care of individual patients.” And, “Good doctors use both individual clinical expertise and the best available external evidence, and neither alone is enough.” BMJ 1996).

Disclosure Policy

It is the policy of the OPC Continuing Education Committee to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All persons in a position to control the content of an educational activity (i.e., activity planners, presenters, faculty, authors) participating in an educational activity provided by the OPC are required to disclose to the provider any relevant financial relationships with any commercial interest. OPC must determine if the individual's relationships may influence the educational content and resolve any conflicts of interest prior to the commencement of the educational activity. The intent of this disclosure is not to prevent individuals with relevant financial relationships from participating, but rather to provide learners information with which they can make their own judgments. Faculty disclosures will be made in the syllabus and/or during faculty introductions. The audience is advised that one or more presentations in this continuing education activity may contain references of unlabeled or unapproved uses of drugs or devices.

Resolution/Mechanism of Identified Conflict of Interest

Independent sources of review include the following: All disclosures will be reviewed by the activity Course Director, Physician Leadership Team, and Executive Director for identification of conflicts of interest. Reviewers, working with the activity directors, will document the mechanism(s) for management and resolution of the conflict of interest, and final approval of the activity will be documented prior to implementation.

Any of the mechanisms below can/will be used to resolve conflict of interest:

- Peer review for valid, evidence-based content of all materials associated with an

educational activity by the activity director

- Limit content to evidence with no recommendations
- Introduction of a debate format with an unbiased moderator (point-counterpoint)
- Inclusion of moderated panel discussion
- Publication of a parallel or rebuttal article for an article that is felt to be biased
- Limit equipment representatives to providing logistics and operation support only in procedural demonstrations
- Divestiture of the relationship by faculty: The reviewer should be a physician or other scientist with knowledge of the specialty area being reviewed and oftentimes the Executive Director will perform this first review and can then appoint a physician as an independent reviewer. The independent reviewer is not involved in the planning of this CME Activity and cannot have a relationship with any corporate entity supporting the CME activity. The reviewer should have a copy of this policy and a copy of the Standards for Commercial Support to fully grasp their responsibilities as the reviewer

Off-Label or Unapproved Use of Drugs or Devices

It is the policy of the OPC to require the disclosure of all references to off-label or unapproved uses of drugs or devices prior to the presentation of educational content. The audience is advised that this continuing medical education activity may contain reference(s) to off-label or unapproved uses of drugs or devices. Please consult the prescribing information for full disclosure of approved uses.

Cancellation and Refund Policy

OPC reserves the right to change the delivery format, delay, or cancel a CME event due to any unforeseen circumstances. If an event is canceled,

OPC will refund your registration fee in full. OPC will not be held responsible for the registrant's travel, hotel or other costs incurred resulting from the cancellation. Substitutions of other CME events may be made at any time without an additional charge; email cme@the-promise.org with your request. Refunds will be issued for all cancellations received two weeks prior to the start of the event. However, an administrative fee of \$100.00 will be charged for all refunds. "No shows" are subject to the full CME event fee. Cancellations/substitutions must be made in writing by email to cme@the-promise.org. No refunds or credits will be issued once the CME event has started.

Grievance Policy

All grievances should be initially directed in writing to the OPC Executive Director by email to director@the-promise.org who will share them with the OPC CME Program Committee. Grievances will receive a response within 30 days of receipt. If you do not receive a satisfactory response, you may notify the Council on Continuing Medical Education, AOA, 142 East Ontario St., Chicago, IL 60611.

Zoom Privacy Notice

When you join meetings and webinars hosted by OPC on Zoom, your profile information, including your name and profile picture, may be visible to other participants.
